

## THE 2009 DONZI 35 ZF OPEN

With its beefy construction, fast, dry ride and rugged wide-open cockpit, the Donzi 35 ZF Open can be found taming the seas from coast to coast. From Cape Cod to Cape Hatteras, and from Gulfport, Mississippi to the Gulf Stream, this offshore brute enjoys a well-earned reputation for being the first to the fish and back to the dock.

The 35 ZF's wide-open cockpit comes ready to fish with massive insulated overboard-draining fishboxes, illuminated transom livewell with high-volume pump system, four standard gunnel-mount rod holders (with four more on the 35 ZF's standard fiberglass hard top), a removable cooler, rod racks recessed into the port and starboard cockpit sidewalls, and locking tackle boxes in the console. Floor hatches with stainless steel dog-down latches allow access to ample below-deck storage.

From bow to stern, the 35 ZF Open comes fully equipped for a day of nonstop offshore angling, and thanks to its proven running surface and legendary Donzi performance, you'll get to where the action is - *fast*.
